The XiMED Foundation

Breast Cancer Screening Recommendations will be the first in a series of educational lectures for 2010.

Please join us for an in-depth lecture on Breast Cancer Screening Recommendations with Mary Wilde, M.D., on Tuesday, June 1st, from 6:00-8:00pm, at the Schaezel Center Great Hall, Scripps Memorial Hospital La Jolla.

Quarterly educational lecture series will follow, focusing on leading health care issues. Our goal is to provide education to both patients and physicians, while providing access to the XiMED health care system.

The 2010 lectures will be held in June, September and November, and will cover topics such as:

~ *The Annual Physical*

~ *Where is Medicine Going?*

~ *Testing—What is really necessary?*

Please RSVP to Yvonne Montelius at (858) 452-1279, or to [ymontelius@ximedinc.com](mailto:yvonne@ximedinc.com) by May 24th.
